

MARKed Site Solutions 2009 Pricing

Web Site Development and/or Hosting

Recurring Yearly Hosting Costs

This yearly fee covers the “hosting” of the site on the Internet if you don’t already have a hosting service.

- \$ 50 Domain Name “Rental” and management
- \$150 Web Server Hosting (Web Site, Email Accounts, Etc.)
- \$200 Annual Hosting Charges (if I manage the hosting for your web site).

Web Site Development Costs for NEW SITES

These one-time fees cover the creation of web pages for a site that does not already exist.

Core (REQUIRED) Components (\$500):

- \$100 Project Management – This REQUIRED FEE covers all planning and meeting time
- \$150 Site GRAPHIC Design – color themes, logos, and other graphical design
- \$150 Site STRUCTURE Design – structure and navigation between pages in a multi-page site
- \$100 Home Page Design – Basic home page with information and pictures only.

Optional Additional Components:

- \$100 Single Additional Page Design – Basic text pages with information and pictures only.
- \$200 Single Additional ACTIVE Page Design – Advanced pages with forms, databases, email, etc.
- \$500 Product Catalog Design – A database-driven product catalog with descriptions and pictures
- \$500 Order Form Design – A series of pages that gather order, shipping, and billing information

Web Site CHANGE Costs for a site previously designed by MARKed Site Solutions

These one-time fees cover the modification or addition of web pages into a site that already exists.
